IS THERE A POSITIVE GRADE? (If so, please draw and explain below)

This image shows a full page of graph paper. The background is a solid light blue color. Overlaid on this background is a uniform grid of thin black lines. These lines intersect to form a series of small, identical squares that cover the entire area of the page. There are no margins, text, or other markings present on the sheet.

If you have any further information or comments on a section that was not covered, please explain in detail below.
