The main site plan shows a property layout with two primary installation areas labeled A and B. Area A is a rectangular section on the left, measuring 24'-7" by 17'. It contains a grid of EGRP devices: 14 of 5' type, 7 of 10' type, and 1 of 20' type. Area B is a rectangular section on the right, measuring 13'-7" by 17'. It contains a grid of EGRP devices: 14 of 5' type, 7 of 10' type, and 1 of 20' type. The plan also shows a fence line, a property line, and various landscape features like trees and a water well. Dimensions for individual devices and their spacing are provided. A scale bar at the bottom right indicates a scale of 1 inch = 5 feet.

An inset map in the top right corner shows the location of the site. It features a grid with Hawthorn Rd running horizontally and Provincial Dr running vertically. A star symbol marks the intersection, with a note indicating the location is not to scale.

A scale bar at the bottom right of the main plan shows a scale of 1 inch = 5 feet. The bar is marked with 0, 5, and 10 feet.
